Argon

LEARN BY GAMING

Argon

You will never learn anything by forcing, it will stay in your head just for a very short time but thanks to fun those topics become memorable...

Solution

How to make it funny and interesting?

- ★ Players will find many bosses (mobs) and in order to defeat them they have to gain item by completing quests
- ★ With the help of quests, the user learns everything about companies in Kosice and at the end will undergo an interactive control of the material covered
